

A SUNTEX MARINA

Letter from the General Manager

On behalf of the York River Team, we hope everyone is enjoying the season so far! The marina is scheduled to be very busy this July, especially of course on the 4th. I would like to take this opportunity to wish everyone a happy and safe 4th of July.

Boat safety is crucial to having a good time on the water. There are too many accidents happen that are completely and totally avoidable and, in most cases, not paying attention to your surroundings is the main factor. Please, as you have your fun on the water remember to operate your vessel in a safe manner.

Around the Marina

Come relax, stay, and get-away at the York River pool this summer! As the temperatures rise, we look forward to seeing our customers take advantage of the marina pool and days spent out on the water!

Folds of Honor

Since 2007, the **Folds of Honor** has carried forth this singular, noble mission. To provide educational scholarships to spouses and children of America's fallen and disabled service-members. Their motto says it best. Honor Their Sacrifice. Educate Their Legacy.

The marina industry has joined forces to support Folds of Honor and their dedication to the families of these heroic Americans. We are raffling off a brand new 2018 Bayliner 20' Deckboat with 150HP Mercury Motor and Trailer.
