**No live aboard in the yard**

As a full-service yard, we extend the privilege to boat owners of working on their own vessels. This is a privilege and we expect boat owners to perform their own work, themselves and in accordance with York River Yacht Haven rules and regulations:

**Rules and Regulations**

- Do not move blocking or stands, yard crew will move stands, At your request
- Clean your work area daily (***\$50.00 clean-up fee***)
- Safety gear will be worn when operating tools
- **Outside contractors or employees of a yacht owner are prohibited from performing any work on yachts in the service yard**
- Bring your own OSHA approved ladder, grounded extension cords and tools
- **Parking:** unload your car and move it to the dock parking lot
- **Spray painting, welding, and sandblasting, in any form is strictly prohibited. Any other activity that has the potential of damaging other boats is also prohibited**
- Sanding: must be done with a vacuum collection system
- Craftsmen are on timed jobs, if you need help please ask the service writer or manager, do not interrupt yard employees

Yard will monitor all do it yourself customers for compliance with YRYH regulations as well as all state and federal environmental policies

- Fines for spills/pollutant on the ground
- YRYH is not responsible for any theft or loss of items left on or around the vessel or vehicle
- YRYH reserves the right to move or re-arrange any vessel without notice at any time.
- The raising of sails is strictly prohibited while the vessel in on blocks in the yard. No one shall ever go aloft while the boat is on yard property.
- Bring your own OSHA approved ladder, hoses, grounded extension cords and tools. YRYH will not loan tools
- Waste disposal methods:
  - a. Oil, gasoline, antifreeze, oil and fuel filters are recycled by YRYH. Please see yard management for proper disposal.
  - b. Bilge water cannot be pumped into the water or onto the ground. Use oil absorbent materials in the bilge. Bilge water must be pumped into approved containers for disposal.
  - c. Used batteries should be dropped off at the yard office for recycling.

❖ **Towing Service outside the marina**

Towing \$200.00 for the launch including operator and, for each additional hand @70.00hr. Time begins from when Launch leaves the dock until toned vessel reaches mooring in marina.

**We are a Virginia Clean Marina;** therefore, we must control the use of potentially hazardous materials in our facility. This is the rationale behind our policies of clean up fees and material acquisition. In addition, we charge a 1% environmental fee for all transactions to aid in proper clean up and disposal of toxic and hazardous wastes.

**Payment of Service Yard bills** is due upon our presentation of your bill for the services you requested. Payment may be made by cash, check or major credit card for your convenience. All invoices must be paid in full prior to launch. Any unpaid balances will accrue interest after 30 days at a rate of 1.83% monthly.

York River Yacht Haven shall have a possessor lien upon the vessel and its contents as provided by Section 43-32 of the Virginia Code for unpaid sums due or services. It is further agreed that should collection of unpaid sums by an attorney be necessary, an additional fee of **25%** of the unpaid balance, plus costs of the Court, shall be charged on the account.

York River Yacht Haven is not responsible for accidents or injuries to persons or vessels caused by any rented equipment. Vessel owner assumes all liability for persons using rented equipment, his own vessel as well as the vessels around his in the Yard. It is further agreed that the boat owner shall not hold York River Yacht Haven or any of its employees or agents liable for any loss, damage or personal injury caused by any condition while the boat is in the Service Yard. It is agreed that the owner will provide insurance sufficient to protect against any such loss, damage or personal injury to the person or property of the owner or others.
